## Connor Owen Guitar

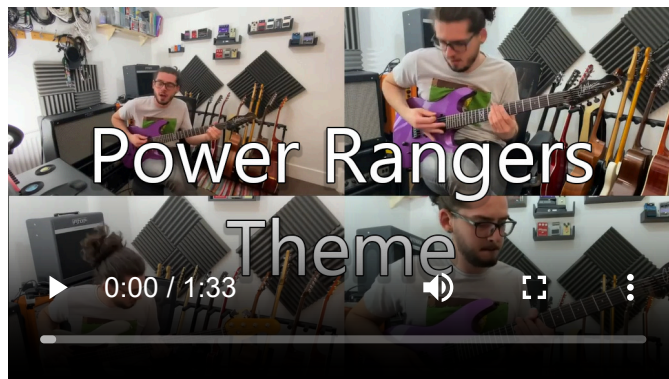

### Guitarist | South Wales, UK

I'm a professional guitarist based in South Wales, UK, with over a decade of experience in live performance and studio work. I hold a BMus (Hons) degree in Contemporary Music Performance from

the University of South Wales (2019) and achieved Grade 8 certification with Rockschoool in 2015.

My playing is shaped by a broad range of musical influences, with a particular passion for rock, metal, soul, and jazz. Artists who have significantly inspired my style include Pink Floyd, Avenged Sevenfold, Bill Withers, Foo Fighters, Snarky Puppy, Nick Johnston, Miles Davis, Animals As Leaders, Stevie Wonder, and Chick Corea.

I currently perform regularly at weddings, private events, and venues across South Wales and beyond, both as a soloist and alongside various acts. I'm also a guitarist for Rhiannon – The Fleetwood Mac Tribute, bringing classic hits to life in pubs, clubs, and theatres throughout the region.
